Talent Sprint have trained the students in the areas of verbal aptitude, quant & reasoning, professional communication, from 2nd year 2nd semester to 3rd year 2nd semester for 100 hours covering 30 hours in each semester.

CoCubes

CoCubes is India's leading assessment and hiring platform. We run assessments to measure employability across all domains - from programming to plumbing. CoCubes works with 600+ corporate clients to execute entry level and lateral assessments and has access to more than a million candidates through its platform. We run 2 million+ assessments each year in 350+ cities; thus, everyday helping our corporate clients reduce interview bandwidth using our central assessment platform, helping our institutional clients measure and improve employability and helping candidates move ahead on their career path. Our vision is to ensure that everyone in the country gets an equal opportunity to build a career. CoCubes have conducted 6 Diagnostic Career Test + 1 Pre-Assessment online tests for 2nd, 3rd & 4th year B.Tech Students.

TASK (Telangana Academy for Skill and Knowledge)

The Telangana Academy for Skill and Knowledge is a not-for-profit organization. Established under the department of ITE& C, Government of Telangana to enhance the employability position of the youth in the state. TASK offerings are extended only to the registered colleges and its students. We are registered college and hence the following benefits are extended to us by TASK.

❖ Partnership with reputed technology organization for skilling programs.
❖ Subsidized rates for Technical Certification.
❖ Faculty development programs.

- ❖ Industry projects/visits.
- ❖ Hosting skilling initiatives on the Campus.

SAP

Bharat Institute of Engineering and Technology (BIET), Ibrahimpatnam, Hyderabad has entered into a Memorandum of Understanding with SAP EDUCATION PARTNER which is not only prestigious but also a unique academic initiative in line with their philosophy of corporate social responsibility.

SAP EDUCATION PARTNER and BIET along with SAP India are willing to jointly establish a strategic relationship, where parties shall work together in number of ways for setting-up of an on-campus training center at BIET's campus ("On-Campus Training Centre") in order to provide SAP Consultant Courses to the students of BIET.

- ❖ As part of College branding, Management has invested huge sum in getting the SAP dongle license installed followed by Training to the Faculty on different Modules. The aim is to Train the students on different SAP Modules and enhance their employability skills.
- ❖ In order to create In-House Trainers, at the behest of Management, the SAP imparted training to the Faculty of BIET free of cost. Since it was the "Trained the Trainer Program", the Faculty are expected to redeliver the training to the students..
- ❖ SAP has granted the college a site license to use the dongle learning products for the intended purpose and specific period.
- ❖ The modules covered under the agreement are ABAP, MM, SD & FI
- ❖ Students are given excess in the course only from the College Campus from the respective labs.
- ❖ Students will do hands on by using the stimulations that are the part of the site license. There will not be any additional server from SAP other than the above.
- ❖ All those students who complete the course successfully will receive a course completion certificate by the college under joint signatures.(SAP & BIET) with respective logos.

NPTEL LOCAL CHAPTER:

SWAYAM is the National MOOCs portal being developed by MHRD, Govt. of India.

In order to ensure best quality content is produced and delivered, seven National Coordinators have been appointed under SWAYAM. NPTEL is the official SWAYAM national coordinator for engineering. All NPTEL online certification courses are SWAYAM courses too, and they are available on the SWAYAM platform as well.

BIET e-Learning Centre, had setup BIET-NPTEL Local chapter on 5th July 2016. The main objective of this BIET-NPTE Local Chapter is to create awareness and enable students to obtain certification programme and make employable or pursue a suitable higher education.
