I Year B.Tech (2024-25)

Name of the Event: Art Exhibition

Date of the Event: 4th February 2025

Student Organizer: 1st ECE A & B

Faculty Mentors: N.Haripriya

The student art exhibition, was a vibrant showcase of young talent and creativity. Organized by the Art Department, the event featured a wide range of artworks including paintings, sketches, sculptures, and digital art, all created by students. Each piece reflected the students' unique perspectives, imagination, and growing artistic skills, with themes ranging from nature and identity to social issues and abstract expression. The exhibition received enthusiastic responses from parents, teachers, and peers, who praised the originality and effort displayed by the students. Overall, the event successfully celebrated student talent and encouraged artistic growth within the school community.
