

# EVENT REPORT

## I Year B. Tech (2024-25)

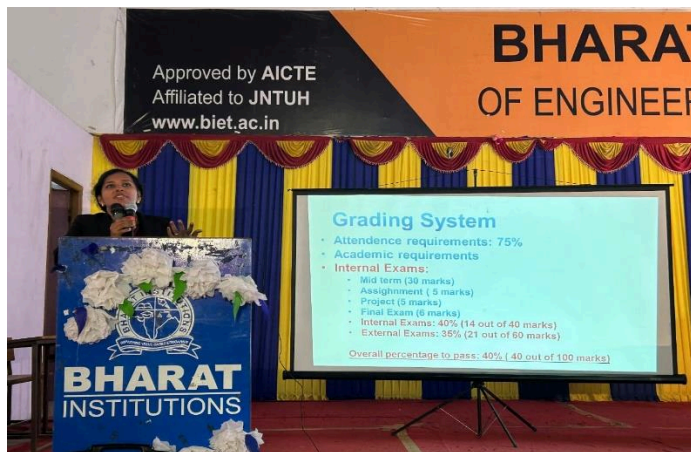

### *Name of the Event: Orientation Day*

**Date of the Event:** 15<sup>th</sup> September 2024

**Student Organizer:** First Year Department

**Faculty Mentors:** First Year Department

The college's orientation day provided parents with a comprehensive overview of the institution. The administration and academic in-charges welcomed parents and students, offering insights into the college's academics and policies. The event aimed to familiarize parents with the college's curriculum, teaching methods, and evaluation systems. The academic in-charges explained the course structure, assessment patterns, and grading systems. Parents received information about the college's infrastructure, facilities, and support services. The administration addressed concerns related to attendance, discipline, and student conduct. The event also covered extracurricular activities, sports, and cultural programs. Parents interacted with faculty members, seeking clarification on various aspects of college life. The orientation day helped parents understand the college's vision, mission, and values. The event concluded with a sense of excitement and anticipation among parents and students.
