

# EVENT REPORT

## I Year B.Tech (2024-25)

### *Name of the Event: World Water Day*

**Date of the Event:** 20<sup>th</sup>- 21<sup>th</sup> March 2025

**Student Organizer:** 1<sup>st</sup> CSE C, E, and CSM C

**Faculty Mentors:** Dr. Ankita Agarwal

World Water Day was celebrated with enthusiasm by students. The event aimed to raise awareness about the importance of water conservation. Students showcased projects and posters highlighting the significance of water in our lives. They explained various ways to conserve water, such as reducing waste and using efficient appliances. The posters displayed statistics on water scarcity and its impact on the environment. Students also demonstrated innovative solutions to conserve water, such as rainwater harvesting. The event encouraged people to take action to protect this precious resource. The students' efforts raised awareness about the need to conserve water for future generations. The celebration concluded with a sense of responsibility among the students to protect the environment. The event promoted sustainable practices to ensure a water-secure future.
