SI No	Description	Details
1	Name of the activity	“TREE GUARD”
2	Date of conduction	23/3/2019
3	Place	Mangalpally village

In a collaborative effort to nurture the green heart of Mangalpally village, the college orchestrated a visionary tree guard even at Mangalpally village on March 23, 2019. With an unwavering commitment to sustainable development, students and faculty members rallied together with villagers to enhance the village's green infrastructure. Amidst the bustling streets, the diligent hands of volunteers carefully planted native saplings, infusing vitality into the earth and laying the foundation for a greener tomorrow. Simultaneously, sturdy tree guards were erected around each sapling, providing vital protection against external threats and nurturing their growth. This dual initiative not only fortified the village's environmental resilience but also fostered a sense of collective responsibility among its inhabitants. As the event culminated, the streets of Mangalpally bore witness to a remarkable transformation—a testament to the power of community-driven action in safeguarding our shared natural heritage.

SI No	Description	Details
1	Name of the activity	Green Beginnings: "A Sapling Plantation Initiative"
2	Date of conduction	30/8/2018
3	Place	Tukkuguda village

Description:

The sapling plantation initiative undertaken by students and faculty members at Tukkuguda Village is a testament to the power of community-driven environmental stewardship. With a shared vision of fostering sustainability and green consciousness, this collaborative effort aims to transform barren landscapes into thriving ecosystems. Led by passionate individuals dedicated to nurturing the earth, this initiative not only replenishes the local green cover but also instills a sense of environmental responsibility among the villagers. Through hands-on participation and educational outreach, the project not only plants trees but also cultivates a deeper connection between humans and nature. As each sapling takes root, it symbolizes hope for a greener, healthier future, where communities and ecosystems flourish hand in hand.

SI No	Description	Details
1	Name of the activity	"Cleaner Futures: Plastic Pollution Cleanup Initiative"
2	Date of conduction	16/9/2018
3	Place	Mangalpally Village

Description:

The Plastic Pollution Cleanup Initiative organized by college students at Mangalpally Village represents a powerful grassroots movement against the scourge of plastic pollution. With unwavering determination and a deep sense of environmental responsibility, these students have embarked on a mission to rid their community of plastic waste. Through organized cleanup drives and community outreach efforts, they are not only removing litter from the environment but also raising awareness about the detrimental effects of plastic pollution on ecosystems and human health. By actively involving local residents in these endeavors, the initiative fosters a sense of collective ownership and empowers individuals to take tangible action in preserving their surroundings. Through their dedication and passion, these students are inspiring positive change and paving the way for a cleaner, healthier future for Mangalpally Village and beyond.

Sl No	Description	Details
1	Name of the activity	"Eco Empower: Empowering Environmental Awareness"
2	Date of conduction	21/1/2017
3	Place	Uppariguda Village

Description:

In a creative and impactful endeavor to spread environmental awareness, our college students orchestrated an engaging program at Zilla Parishat High School in Uppariguda Village seamlessly blending education with entertainment. The highlight of the event was a thought-provoking "Nukkad Natak" (street play) performed by the students. With colorful costumes and compelling storytelling, the natak vividly depicted the consequences of environmental neglect and the power of collective action in preserving our planet. The students skillfully conveyed the message of conservation, recycling, and sustainable living, capturing the attention and hearts of the audience. This innovative approach not only made the environmental awareness program memorable but also left a lasting impression on the students of Zilla Parishat High School, inspiring them to become stewards of the environment in their own right. The fusion of education and entertainment proved to be a winning formula in nurturing a sense of responsibility towards the environment among the younger generation.

1	Name of the activity	" Puneet Sagar Abhiyan "
2	Date of conduction	7/9/2017
3	Place	Ibrahimpattnam

Description:

In a monumental endeavour to combat the pressing issue of marine pollution, our college on September 07, 2017, the NCC launched "Puneet Sagar Abhiyan" has spearheaded a nationwide flagship campaign dedicated to cleaning seashores of plastic and other waste materials. This ambitious initiative reflects a deep commitment to environmental stewardship and community engagement. Students, faculty, and local volunteers converge on coastal areas across the nation, armed with determination and eco-friendly cleanup tools, to meticulously remove plastic and waste, preventing further harm to marine ecosystems. Beyond the physical cleanup, the campaign prioritizes awareness-raising activities, including educational workshops, seminars, and community outreach programs. Through these efforts, the college aims to instill a profound understanding of the importance of cleanliness and environmental preservation, fostering a generation of responsible citizens dedicated to the well-being of our oceans. This nationwide campaign not only signifies a significant step towards cleaner seashores but also exemplifies the transformative impact that collective action can have on safeguarding our precious natural resources.

SI No	Description	Details
1	Name of the activity	" TREE PLANTATION "
2	Date of conduction	18/10/2017
3	Place	Mangalpally

Description:

In a heartwarming display of community spirit and environmental stewardship, college students joined forces with Colonel Piyush Srivastava, in Mangalpally village on October 18, 2017, to embark on a tree plantation initiative along the roadside. With shovels in hand and determination in their hearts, they set out to breathe new life into their surroundings. As saplings took root, so did a sense of pride and responsibility among the participants. Together, they envisioned a future where the roadside would be adorned with lush greenery, providing shade, purifying the air, and fostering a deeper connection to nature for generations to come. Colonel Piyush's leadership and the students' enthusiasm served as a beacon of hope, inspiring others to join the noble cause of safeguarding the planet one tree at a time.

1	Name of the activity	" Swachh Bharat Mission "
2	Date of conduction	20/1/2016
3	Place	Tukkuguda village

Description:

In a concerted effort to instill a sense of civic duty and promote environmental consciousness, the college community in Tukkuguda village rallied together for a Swachh Bharat Mission on January 20, 2016. With brooms, gloves, and bins in hand, students and faculty alike converged upon the streets and public spaces of Tukkuguda village, determined to make a tangible difference. Their mission was not merely about picking up litter, but about fostering a culture of cleanliness and pride in their surroundings. As they worked tirelessly under the sweltering sun, their collective energy and commitment shone brightly, transforming litter-strewn areas into pristine havens. Through their actions, they not only cleaned the physical landscape but also sowed the seeds of responsibility and community engagement. The Swachh Mission at Tukkuguda village stood as a testament to the power of unity and the impact that small acts of care and diligence can have on creating a cleaner, healthier environment for all.

1	Name of the activity	" Swachh Bharat Mission "
2	Date of conduction	10/8/2014
3	Place	Uppariguda Village

The main objective of the " Swachh Bharat Mission " as envisaged originally was service to the community, offered while undergoing instruction, in an educational institution. It was sought to arouse the social consciousness of students and provide them with the opportunity to work with the people around the educational campuses creatively and constructively and to put the education they received to concrete social use. It has been felt that the primary aim of the scheme is to enable the students to upgrade their personality and experience through community service. This expresses the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of the society as a whole. BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY has been in the forefront of such activities. The impetus is to give the students best educational experience in order to make them responsible and productive citizens of the country. It has undertaken many socially and environmentally viable volunteers which are very much helpful to the mankind. A group of 54 students organized and completed this activity successfully.
